

Winter Quarter UCS Drop-In Space **(Partnered with Peace, Justice, & Conflict Studies)**

We believe dialogues are important. But we also recognize and own that we have not always lived up to this value. Our goal is to co-create a space in which we can honestly and transparently discuss student experiences, and learn and grow together about what support and healing might look like within the current context of DePaul.

Every Monday starting February 1st

5 - 6:00 pm CST
